Presenting

Aesthetic living spaces

by combining sophisticated design and technology

Located near Balanagar Railway Station, Parijatha Green City is a Vasthu compliant DTCP approved project. This gated community features well-demarcated plots, landscaped parks, avenue plantations and a plethora of daily conveniences.

Parijatha Green City is amid a peaceful environment with regulated entry and exit. Replete with round the clock security, street lights, power and water supply, an efficient underground drainage system, wide black top roads, rainwater harvesting pit, and a play area for children, life at Parijatha Green City is as comfortable and complete as it gets.

The proposed 340 km Regional Ring Road near Shadnagar

will ensure smooth road connectivity and reduced travel time. With a clear title and an option for immediate registration -along with proximity to urban amenities, the top-notch infrastructure, excellent facilities, prime location, easy connectivity, and assured potential for future growth- Parijatha Green City is the ideal investment you deserve.
